

# Fellows for Life

Lifeline Macarthur and Western Sydney's major donor program supports our community with annual financial contributions towards our crisis support and suicide prevention services.

For many years, members of our fellowship program have provided generous financial support to help Lifeline ensure that no person in Australia has to face their darkest moments alone and have shared our commitment to empowering Australians to be suicide-safe through connection, compassion and hope.

As an organisation seeking community mental health and wellbeing, Lifeline Macarthur and Western Sydney is available to listen, without judgment, to any person in Australia who is feeling overwhelmed, experiencing crisis or longs to be heard.

We would be delighted to collaborate with you in support of our vision of an Australia free of suicide.

For a contribution of your choice, from \$1000 to \$3000, we can offer our Fellows:

- The ability to align your brand with Lifeline and our inspirational cause. A partnership with Lifeline allows your organisation to maximise your corporate, social and community goals and demonstrate your commitment to suicide prevention.
- Non-exclusive licence to use the Lifeline Macarthur and Western Sydney name and associated logos on your website, social media channels, official publications and other materials to acknowledge the partnership in accordance with our branding guidelines.
- Opportunities for you to host Lifeline at your headquarters to raise the profile of Lifeline with your employees, including training and/or awareness-raising presentations.
- An opportunity to demonstrate to your customers and employees that your company is making a positive contribution to the community. You can engage, inspire and deepen your staff and customer relationships by making a meaningful impact together.
- Acknowledgment on our website, social media channels, official publications and other materials that recognises your commitment.
- Employee engagement and volunteering opportunities.
- Regular networking with other Lifeline Fellows and opportunities to connect with our CEO, volunteers and crisis supporters.

With nearly 9 deaths by suicide every day in Australia, your support is urgently needed.
